

The fastest delivery times in the industry are now even faster.

Quality steel lab furniture ships in as little as 24-48 hours

Need it now? Get it now!

Hundreds of Hanson QuickShip steel cabinets are in stock and ready to ship in as little as 24-48 hours.

For more than three decades, Hanson Lab Furniture has offered its customers the fastest delivery times in the industry. Now, with our QuickShip program, we have reduced delivery time on hundreds of products. In fact, we can ship many routine orders within 24-48 hours.

With Hanson QuickShip, you'll get steel furniture that will last for years. And because Hanson QuickShip cabinets are available in one standard color and in the most popular styles, we can stock a large inventory of ready-to-ship products that are surprisingly affordable.

Look at all we have in stock:

- 4' and 6' Fume Hoods
- Over 1000 feet of Casework
- Base Cabinets, Wall Cabinets, Floor Cases, and Safety Cabinets
- Adjustable-height Tables in 3', 4', 5' and 6' lengths
- Phenolic Resin Countertops. Epoxy is available on request
- Sinks, Faucets, Eyewashes, Pegboards and Snorkels
- Work Surface-Mounted Reagent Racks
- Standardized Pre-Engineered Casework Assemblies

All available **now** to meet any need, from a single cabinet to a whole lab.

You'll get all the other value that Hanson brings to your project, too, including:

- The ability to add selected cabinets from the full Hanson catalog with Hanson Lab Furniture Expedited Manufacturing.
- The assistance of our professional Lab Planning Team every step of the way, from ordering through installation.
- The option to mix and match with other Hanson lines, including Fixed, Flex-over-Fixed, and Modular.
